PROFESSIONAL EXPERIENCE

Hudson Meridian Construction Group

New York, NY

Project Accountant / Assistant Project Manager

Aug 2025- Current Job

- Started in APM role providing owners rep for the re-development of Hunts Point Produce Market (HPPM).
- Coordinated with the HPPM Co-op, architects, engineers, capital markets teams, REIT partners, and NYC agencies throughout the design-build selection process,
- Point for CMP draft, NEPA & Architectural Historian Services during the phasing process for HPPM.
- Moved to Project Accounting, managing project requisition review, budget tracking, GC Monitor, and cost controls across five public-sector capital projects. Creating financial models that links macro factors within CM & development.

RSM Facility Solutions

Paramus, NJ

Operations Analyst

Feb 2023 – Jan 2025

- Facility management acquired by private equity group, *Orion Group Holdings (ORN)*. Operations team outsourced.
- Engaged with clients to facilitate onboarding, establishing portals, and seamlessly integrated work orders and reports.
- Generated reports and crafted weekly/monthly presentations for account executives; covering earnings, heat maps, workflow, market and client research.
- Collaborated with sales, accounting and procurement to optimize the functionality of internal systems, ensuring data flow and accurate reporting, integration of client pricing, work orders, and client contracts.

MLB Network & NHL Network

Secaucus, NJ

Data Analytics Analyst

Jan 2022 – Jan 2023

- Fast-paced environment, analyzed and processed real time performance data from live on-field, on-ice and on-field pre/post-game events.
- Worked directly with the broadcasting team, using in-house system ‘*Diamond*’, to collect critical data and correlate it across the MLB and NHL systems and applications.
- Partnered with multiple areas of the MLB and NHL organization to develop impactful insight for real time game metrics, providing feedback and efficiency.
- Used personal discretion to determine which content is worth developing into highlights with excellent written communication skills to provide summaries of the most valuable content.
